LIVE ON STAGE - ONE NIGHT ONLY - EXCLUSIVELY IN QUEENSLAND

Dear Neighbour,

The Gabba is preparing to host the one-night-only stadium spectacular Carreras & Friends concert on Saturday 5 December 2026.

Detailed planning has been undertaken to minimise impacts locally, but please be aware of possible changes to traffic and parking to help ensure a safe and efficient event.

Event set up and rehearsals

There will be increased heavy vehicle traffic from Sunday 29 November, with trucks transporting equipment to the venue and installation of event-related infrastructure.

Any disruption during this time is likely to be contained to the venue precinct, with partial closures of Vulture St and Stanley St, outside of peak times, and some car parks directly outside the stadium unavailable to allow for safe delivery of equipment. Sound checks for the concert will occur on Thursday 3 and Friday 4 December.

There will be light testing on Thursday 3 December from 10.30pm to 2.30am.

Event pack down

There will be increased heavy vehicle traffic from Sunday 6 December, with trucks removing equipment and event-related infrastructure from the venue. Any disruption during this time is likely to be contained to the venue precinct. The removal of equipment may continue until Wednesday 9 December.

Sound testing and noise control

The Gabba has engaged an acoustic consultant to assist with noise control measures, and interior and exterior noise will be monitored during sound checks and the concert to ensure sound complies with requirements.

Event day information and traffic changes

On Saturday 5 December, gates will open at 5.00pm, with a full traffic management plan in place to ensure a safe event delivery. There will be some disruptions to parking in The Gabba Traffic Area, which includes streets in Woolloongabba, East Brisbane and Kangaroo Point. Please visit the Brisbane City Council website to see which streets are located within The Gabba Traffic Area.

The concert will run from 7.00pm to 10.30pm.

Concert hotline

On event day, a concert hotline (1300 843 422) is available from 8.00am to midnight.

For any enquiries ahead of the concert, please email info@thegabba.com.au or call 1300 843 422 during business hours.

Thank you for your cooperation and support during the staging of events at The Gabba.
