

## Gabba Members

### Ashes 2021 Test Match Seat Reservations

Due to QLD Government health regulations the traditional walk up access of first in best dressed remains suspended for the Gabba Members Reserve. Seats will be allocated through Ticketek on a first in, best dressed basis. Membership cards will not be valid for entry but should be retained for future use and membership verification together with ID.

Reservations open at **10am Wednesday 10 November 2021**. We expect the Members Reserve to be at or near capacity. Do not book if you do not intend to attend - we had a significant no show rate during the AFL season. If you do book and are then not able to attend, please advise us so that we can return your seat/s to the inventory for other Members to use. Please respect the non transferability of some membership cards (Member, Junior, Child). Guest cards and Family membership cards complying with the terms and conditions of family membership are transferable. If you are booking for more than one Member make sure only one Member does the booking. Simultaneous attempts by more than one Member using the same codes will not be successful.

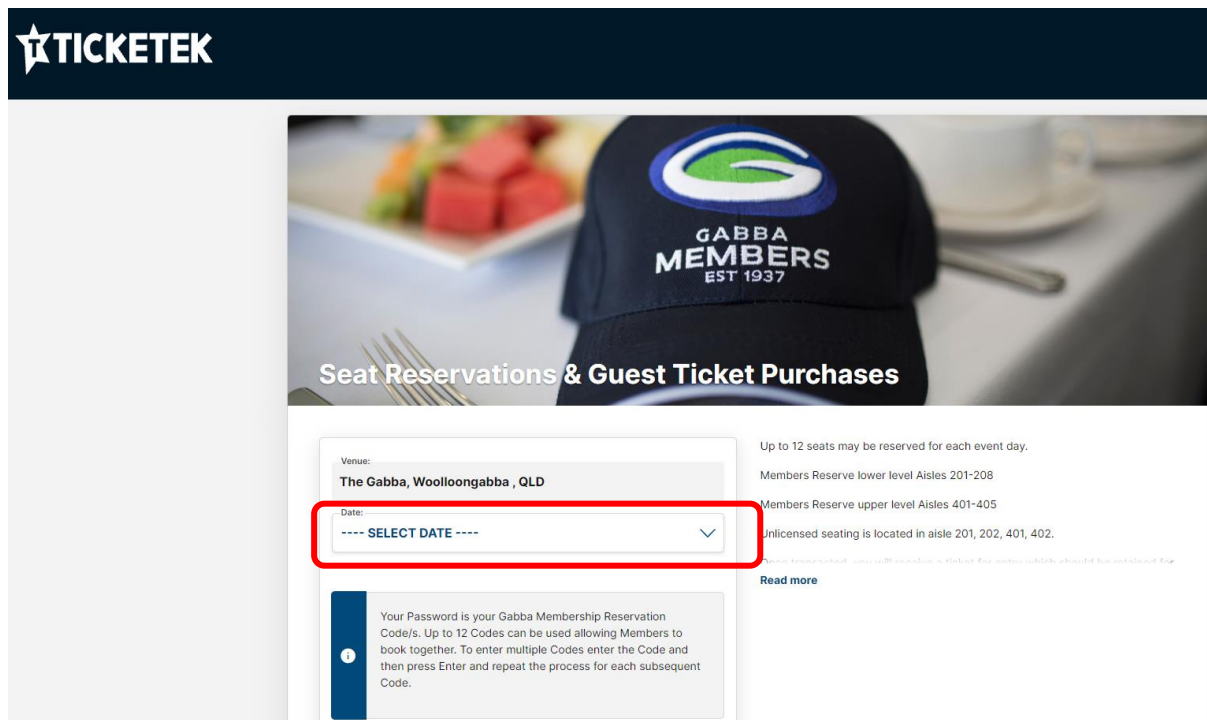

#### Seat Reservation Booking Tips

**No daily guest tickets will be available to purchase for this event until all membership cards holders have had the opportunity to book in. We will review closer to the match.**
